

SUSK Congress (Virtual) 2020

The 2020 SUSK Congress took place over the weekend of August 7-9, and although the congress was held online due to COVID-19, the weekend could not have been a greater success. The evening of August 7th consisted of various clerical matters, and after adjournment, was followed by a very successful Zoom social where delegates were able to get acquainted and participate in various virtual group games. The day of August 8th was dedicated time for the delegates to cast their votes to elect the new Board of Directors. The final day of the SUSK Congress, August 9th, allowed for various important events to take place, such as the announcement of the election results, and the opportunity for all delegates to work together in creating and refining the Resolutions for the 2020/2021 year.

A big thank you goes out to the 2019/2020 Executive Team for all their hard work during the year. I personally want to thank each and everyone of you. Devon, Mattay, Marc, Nykola, Sophia, Kirsten, Danylo, Andriy, Luba, Raya, Irina and Steph, you are some of the most talented individuals that I have had the pleasure of working alongside and for those of you not returning I will you the best of luck in all of your future endeavours.
